

# Huntington Hotel Group Announces Renovation of Overland Park, Kansas Hotel

**Overland Park, Kansas, March 14, 2013** – Huntington Hotel Group announces the renovation of the Hawthorn Suites by Wyndham in Overland Park, Kansas. “We recently completed a 6-month renovation” explained hotel general manager, Brian Meader, “including the guest rooms, lobby, club house, guest laundry room and exercise room.”

He goes on to explain, “all the rooms have new carpet, new beds, new bedding, and flat panel TVs. The guests especially love the new flat panels. We added a Market for snacks and foods.” In addition, the lobby and club house have a fresh look, the guest laundry room has been updated, and they added more weights in the exercise room. 107 of the 215 rooms are very spacious and configured into 1-bedroom apartments. The bedroom is separate from the living room, dining and kitchen. The living room has a fireplace. The spacious living arrangements encourage extended stay guests – including business travelers on 1-month to 12-month assignments. Guests have stayed in the hotel for as long as two years.

The hotel located at 11400 College Blvd. in Overland Park, Kansas, The Hawthorn Suites by Wyndham Overland Park Kansas offers a central location for both the business and leisure traveler. Conveniently located in the heart of the prestigious Overland Park, Kansas, business corridor, the Hawthorn Suites is only minutes to dozens of area businesses and corporate headquarters, including the Sprint Campus, the Overland Park Convention Center and 1.5 Miles to Kansas City’s premier business address, Corporate Woods, home to several Fortune 500 companies. They offer 5 meeting rooms from 200 square feet to 900 square feet to meet the needs of groups from 5 to 75.
