

# Homewood Suites Liberty Station Named To Hiltons 2009 List Of Top Performing Hotels

MCLEAN, VA – Homewood Suites by Hilton, the international brand of all-suite, residential-style hotels, today announced its top performing properties of 2009. The results are based on three key components: quality assurance audits measuring cleanliness, condition and brand standards; customer satisfaction scores rating staff service; and the quality of the hotel's physical accommodations.

Twenty five hotels from the brand's portfolio of nearly 300 properties were included in this year's list. Hotels receive a trophy, monetary prize and special recognition during a series of regional brand meetings.

"It's often the small details that make a big difference to our guests," said Bill Duncan, Global Head, Brand Management, Homewood Suites. "Each of these hotels has gone above and beyond in providing exceptional customer service, meeting our stringent brand standards and maintaining a clean beautiful property."

The top performing hotel received special recognition with a "Connie" Award, named after Hilton Worldwide's founder Conrad Hilton. This year's Connie Award winner is the Homewood Suites by Hilton Charleston/Airport Convention Center, SC. The property is overseen by General Manager, Torri Jennings, and Director of Sales, Connie Armstrong.
